The information for 1948-1996 has been obtained from the annual reports of the following sheep scientists in the Agricultural Society of Iceland published in "BÚNAÐARRIT": Halldór Pálsson, Árni G. Pétursson, Sveinn Hallgrímsson, Sigurgeir Þorgeirsson and Ólafur R. Dýrmundsson, the last one named attending nearly all INTERNORDEN meetings from 1992-2022. Written by Ólafur R. Dýrmundsson and sent by e-mail on 20 September 2024 from oldyrm@gmail.com.

Information (1998-2022) from Gun Bernes.

Information (2024-2026) from Annelie Carlsson.
